ABOUT THE ALMANAC

Almanac means daily Information Manual or A Small Encyclopedia or A Book of daily Events. It is very necessary that the students and parents read the Almanac together and understand the contents fully.

This Almanac aims at establishing an invaluable link between teachers, students and parents. It is intended to serve :

As an all-in-one ready reckoner and planner for students.

As a means of communication between parents and the school - to keep parents abreast with what their children are studying at school and the curricular progress of their wards; to keep parents informed with respect to home assignments; to serve as a handy reference with regard to the student's schedule; and to be used for convenient, day-to-day correspondence (related to academics and conduct) between parents and the school staff.

Students should ensure that they bring this Almanac to School everyday. Use it productively and treat it with care.

Parents should review current pages daily and must countersign and respond to any comments which may be made periodically by members of the faculty. Parents should also countersign home assignments to signify their completion and provide an explanation if home assignments are not completed for any good reason.

As a matter of policy students will get home tasks on subject they are familiar with. These tasks are intended as revision exercises, to reinforce what is learned by students in school. Students should seek the help of their teachers at school on the following day if they encounter any difficulties.

Comments made by parents in the Almanac should be productive and confined strictly to the subject of the student's work and her/his conduct. All other matters concerning the school should be dealt with separately and either conveyed personally or through separate letter addressed to the principal of the School.

MAKE ME A CHANNEL OF YOUR PEACE...

Make me a channel of your peace
Where there is hatred let me bring your love
Where there is injury your pardon Lord
And where there's doubt, true faith in you.....

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.....

Make me a channel of your peace
Where there is despair let me bring your hope
Where there is darkness let me bring only light
Where there is sadness let me bring your joy.....

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.....

ALL THINGS BRIGHT AND BEAUTIFUL.....

All things bright and beautiful
All creatures great and small
All things wise and wonderful
The Lord God made them all.....

Each little flower that opens
Each little bird that sings
He made their glowing colours
He made their tiny wings.....

The purple-headed mountain
The river running by
The sunset and the morning
That brightens up the sky....

He gave us eyes to see them
And lips that we might tell
How great is God Almighty
Who has made all things well....

AS THE DEER PANTS....

As the deer pants for the water
So my songs after you
You alone are my heart's desire
And I long to worship you....

You alone are my strength, my shield
To you alone may my spirit yield
You alone are my heart's desire
And I long to worship you.....

I want you more than gold or silver
Only you can satisfy
You alone are the real joy - giver
And the apple of my eye.....

THERE SHALL BE SHOWERS OF BLESSINGS.....

There shall be showers of blessing
This is the promise of love
There shall be seasons refreshing
Sent from the savior above.....

Showers of blessing
Showers of blessing we need
Mercy drops round us are falling
But for the showers we plead.....

There shall be showers of blessing:
Send them upon us, O Lord
Grant to us now a refreshing
Come and now honour thy World.....

Showers of blessing
 Showers of blessing we need
 Mercy drops round us are falling
 But for the showers we plead.....

I WAS BORN BEFORE CREATION....

I was born before creation
 When the world was yet to be
 From the dawn of time uncounted
 I have sung God's melody.....

I am Wisdom, his companion
 Ever at his side to be
 I delight in his creating
 Never ending, ever free.....

Every sea and every river
 I have seen them come to birth
 For the hills and for the mountains
 Seen Him raise the virgin earth.....

I am Wisdom, his companion
 Ever at his side to be
 I delight in his creating
 Never ending, ever free.....

There were stars hung in the heavens
 And the clouds were in his plan
 But the time I'll ever cherish
 Was the day He formed a man.....

Every sea and every river
 I have seen them come to birth
 For the hills and for the mountains
 Seen Him raise the virgin earth.....

Never has He ceased creating
 And I'm with Him to this day;
 So I'm glad to see his image
 In the people of today.....

LIKE A SUNFLOWER.....

Like a sunflower
That follows every movement of the sun
So I turn towards you
To follow you, my Lord.....

In simplicity, charity, I follow - (2)
In simplicity, honesty, I follow - (2)
In simplicity, fidelity, I follow - (2)

I, THE LORD OF SEA AND SKY.....

I, the Lord of sea and sky,
 I have heard my people cry.
 All who dwell in dark and sin
 My hand will save.
 I who made the stars of night
 I will make their darkness bright
 Who will bear my light to them.....?
 Whom shall I send.....?

Here I Am Lord
 Is It I, Lord ?
 I have heard you calling in the night
 I will go, Lord
 If you lead me
 I will hold your people in my heart.

I, the lord of snow and rain
 I have borne my people's pain
 I have wept for love of them
 They turn away
 I will break their hearts of stone
 Give them hearts for love alone
 I will speak my word to them
 Whom shall I send.....?

Here I am lord
 Is it I, lord ?
 I have heard you calling in the night
 I will go lord
 If you lead me
 I will hold your people in my heart.

I, the lord of wind and flame
 I will tend the poor and lame
 I will set a feast for them
 My hand will save
 Finest bread I will provide
 Till their hearts be satisfied
 I will give my life to them
 Whom shall I send.....?

Here I am lord
 Is it I, lord ?
 I have heard you calling in the night
 I will go lord
 If you lead me
 I will hold your people in my heart

BLOOM, BLOOM.....?

Bloom, Bloom, Bloom where you're planted
You will find your way
Bloom, Bloom, Bloom where you're planted
You will have your day

Look at the flowers, look at them growing
They never worry, they never work;
Yet look at the way our Father clothes them
Each with a beauty all of its own

Bloom, Bloom, Bloom where you're planted
You will find your way
Bloom, Bloom, Bloom where you're planted
You will have your day

Some plant the seed that others will water
But in all things God gives the growth
Come, let Him garden the flowers within you
Come and discover some you've never known

Bloom, Bloom, Bloom where you're planted
You will find your way
Bloom, Bloom, Bloom where you're planted
You will have your day

Look at the love that lies deep within you
Let yourself be ! Let yourself be !
Look at the gifts you have been given
Let them go free ! Let them go free !

DEEP CALLS TO DEEP

Deep calls to deep
And my soul finds no reason place but him
He is my God
The yearning of my heart his touch can still

And each rare moment
That I've felt his presence
I shall remember
And forever cherish

Deep calls to deep,
And at his feet I am a welcome guest:
He gives me food,
The hunger of my soul is laid to rest.

And each rare moment
That I've felt his presence
I shall remember
And forever cherish

Deep calls to deep
For he created me to be His own
He understands
The joy and pain of life, He too has known.

And each rare moment
That I've felt his presence
I shall remember
And forever cherish

LORD I'M COMING HOME....

I've wandered far away from God,
Now I'm coming home.
The paths of sin too long I've trod
Lord, I'm coming home.

Coming home, coming home
Nevermore to roam
Open wide Thine arms of love
Lord, I'm coming home.

I've wasted many precious years,
Now I'm coming home.
I now repent with bitter tears,
Lord, I'm coming home.

Coming home, coming home
Nevermore to roam
Open wide Thine arms of love
Lord, I'm coming home.

I'm tired of sin and straying, Lord
Now I'm coming home.
I'll trust Thy love, believe Thy word,
Lord, I'm coming home.

Coming home, coming home
Nevermore to roam
Open wide Thine arms of love
Lord, I'm coming home.

My soul is sick, my heart is sore,
Now I'm coming home.
My strength renew, my hope restore
Lord, I'm coming home.

LISTEN....

Listen let your heart keep seeking
Listen to his constant speaking
Listen to the spirit calling you
Listen to his inspiration
Listen to his invitation
Listen to the spirit calling you.

He's in the sound of the thunder;
In the whisper of the breeze.
He's in the might of the 'whirlwind'
in the roaring of the seas.

Listen let your heart keep seeking
Listen to his constant speaking
Listen to the spirit calling you
Listen to his inspiration
Listen to his invitation
Listen to the spirit calling you.

he's in the laughter of children
In the patter of the rain
Hear him in cries of the suffering;
In their moaning and their pain.

Listen let your heart keep seeking
Listen to his constant speaking
Listen to the spirit calling you
Listen to his inspiration
Listen to his invitation
Listen to the spirit calling you.

He's in the noise of the city
In the twitter of the bird.
And in the night time the stillness
Helps you listen to this word.

Listen let your heart keep seeking
 Listen to his constant speaking
 Listen to the spirit calling you
 Listen to his inspiration
 Listen to his invitation
 Listen to the spirit calling you.

He speaks through all your companions,
 This friendly, through the foe
 Therefore give ear to the spirit
 wheresoever's he may blow.

ALWAYS I WILL SING..

Always I will sing of the glory of the Lord,
 Always I will sing of the glory of the Lord,
 Always

Praise him, praise him, great are his mighty deeds
 Love him, love him, he is ever merciful
 Praise him, praise him, great are his mighty deeds
 Sing of the glory of the Lord, always.

Always I will sing of the glory of the Lord,
 Always I will sing of the glory of the Lord,
 Always

Thank him, thank him, wonders he has done
 Love him, love him, for he loved us to the end
 Thank him, thank him, wonders he has done
 Sing of the glory of the Lord, always.

Always I will sing of the glory of the Lord,
 Always I will sing of the glory of the Lord,
 Always

Name him, name him, king of the universe.
 Love him, love him, for he is the God of love
 Name him, name him, king of the universe.
 Sing of the glory of the Lord, always.

Always I will sing of the glory of the Lord,
Always I will sing of the glory of the Lord,
Always

SING MY SOUL.....

Sing my soul at the joy that I feel :
There is now, dwelling in me, my God.

It is through you, Lord that I act,
Every prayer, every thought of mine,
Comes from you, Lord Divine

Sing my soul at the joy that I feel :
There is now, dwelling in me, my God.

Lord, it is your wish, that I may,
By my life, show people around
How to love, more and more

Sing my soul at the joy that I feel :
There is now, dwelling in me, my God.

IN HIS TIME..

In his time, in his time,
He makes all things beautiful in his time.
Lord, please show me every day
As you're teaching me your way,
That you do just what you say in your time.

In your time, in your time,
You make all things beautiful in your line
Lord, my life to you I bring,
With its winter and its spring,
May I fathom every thing in your time.

There's a time, there's a time
Both are sowing and for reaping there's a time,
Time for losing, time for gain,
Time for joy and time for pain
Every purpose under heaven has a time.

There are times, there are days
 Weeks and months we cannot understand
 God's ways
 If for years we fail to scan
 What is his eternal plan
 We remember that he can all the time.

JUBILATE, EVERY BODY

Jubilate, everybody,
 Serve the Lord in all your ways,
 And come before his presence singing,
 Enter now his courts with praise.

1. For the Lord our God is gracious
 And his mercy's ever lasting,
 Jubilate, Jubilate, Jubilate Deo!
2. He's our make, we his creatures,
 We're his sheep and he's our shepherd.

CHRISTMAS SONG

O Come All Ye Faithful
 O Come All Ye Faithful
 Joyful and triumphant,
 O come ye, O come ye to Bethlehem
 Come and behold him
 Born the King of Angels;
 O come, let us adore him,

O come, let us adore him,
 O come, let us adore him,
 Christ the Lord.

O sing, choirs of angels
 Sing in exultation
 Sing all that hear in heaven God's holy word.
 Give to our father glory in the highest;

O come, let us adore him.
 O come, let us adore him.
 O come, let us adore him.
 Christ the Lord.

All Hail! Lord, we greet Thee,
 Born this happy morning.
 O Jesus ! for evermore be Thy name adored
 Word of the Father, now in flesh appearing;
 O come, let us adore him - 3
 Christ the Lord.

Angels we have heard on high
 Sweetly singing o're the plains
 And the mountains in reply
 Echoing their joyous strains

GLORIA IN EXCELSIS DEO
GLORIA IN EXCELSIS DEO

Shepherds why this jubilee
 Why your joyous strains prolong
 What the gladsome tidings be which inspire you heavenly song

GLORIA IN EXCELSIS DEO
GLORIA IN EXCELSIS DEO

See him in a manger laid
 Whom the choirs of angels praise
 Mary, Joseph, lend your aid
 While our hearts in love we raise.

JOY TO THE WORLD

[VERSE 1]

Joy to the world, the Lord has come!
 Let earth receive her king
 Let every heart prepare him room
 And heaven and nature sing
 And heaven and nature sing
 And heaven, and heaven, and nature sing

[VERSE 2]

Joy to the world, the Savior reigns!
 Let men their songs employ
 While fields and floods, rocks, hills and pains
 Repeat the sounding joy
 Repeat the sounding joy
 Repeat, repeat, the sounding joy

[VERSE 3]

No more let sings and sorrows grow
 Nor thorns infest the ground
 He comes to make his blessings flow
 Far as the curse is found
 Far as the curse is found
 Far as, far as, the curse is found

(VERSE 4]

He rules the world with truth and grace
 And makes the nations prove
 The glories of his righteousness
 And wonders of his love And wonders of his love
 And wonders, and wonders, of his love

Gandhi's Shoes

While boarding a moving train one day, one of Mohandas Gandhi's shoes slipped off and fell upon the track. As he was unable to retrieve it, Gandhi - to the astonishment of his fellow travelers - calmly removed his other shoe and threw it down the track to where the first had landed. "The Poor man who finds the shoe lying on the track," Gandhi explained, "will now have a pair he can use."

["An eye for an eye," Gandhi remarked on another occasion, "will make the whole world go blind." Gandhi's 'seven social sins'? "Politics without principle wealth without morality, pleasure without conscience, education without character, science without humanity, and worship without sacrifice."]

If

By Rudyard Kipling

('Brother Square-Toes' -Rewards and Fairies)

*If you can keep your head when all about you
Are losing theirs and blaming it on you.
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:*

*If you can dream - and not make dreams your master;
If you can think - and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools:*

*If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them : "Hold on!"*

*If you can talk with crowds and keep your virtue,
Or walk with kings - nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And - which is more - you'll be a Man my son !*

THE PURPOSE OF EDUCATION

by Dr. Martin Luther King Jr.

Education must train one for quick, resolute and effective thinking. To think incisively and to think for one's self is very difficult. We are prone to let our mental life become invaded by legions of half truths, prejudices, and propaganda. At this point, I often wonder whether or not education is fulfilling its purpose. A great majority of the so-called educated people do not think logically and scientifically. Even the press, the classroom, the platform, and the pulpit in many instances do not give us objective and unbiased truths. To save man from the morass of propaganda, in my opinion, is one of the chief aims of education. Education must enable one to sift and weigh evidence, to discern the true from the false, the real from the unreal, and the facts from the fiction.

The function of education, therefore, is to teach one to think intensively and to think critically. But education which stops with efficiency may prove the greatest menace to society. The most dangerous criminal may be the man gifted with reason, but with no morals.

We must remember that intelligence is not enough. Intelligence plus character—that is the goal of true education. The complete education gives one not only power of concentration, but worthy objectives upon which to concentrate. The broad education will, therefore, transmit to one not only the accumulated knowledge of the race but also the accumulated experience of social living.

If we are not careful, our institution & education will produce a group of close-minded, unscientific, illogical propagandists, consumed with immoral acts. Be careful, "brethren!" Be careful, teachers!

ABRAHAM LINCOLN'S LETTER TO HIS SON'S TEACHER

He will have to learn

I know,
that all men are not just (fair),
all men are not true.
But teach him also that
for every acoundrel
(dishonest) there is a hero;
that for every selfish Politician,
there is a dedicated
(committed) leader..
Teach him for every enemy
there is a friend.

Steer him away from envy

If you can,
teach him the secret of
quiet laughter.

Let him learn early that

the bullies are the easiest to
lick...Teach him, if you can,
the wonder of books...
But also give him quiet time
to ponder the eternal mystery
of birds in the sky, bees in
the sun, and the flowers on a
green hillside.

In the school teach him

It is far honourable to fail than
to cheat...

Teach him to have faith in his
own ideas, even if everyone
tells him they are wrong...

Teach him to be gentle with
gentle people, and tough with
the tough.

Try to give my son

the strength not to follow
the crowd when everyone is
getting on the band wagon...

Teach him to listen to all men...
but teach him also to filter all
he hears on a screen of truth,
and take only the good that
comes through.

Teach him to close his ears

to a howling mob and to stand
and fight if he thinks he's right.
Treat him gently, but do not
cuddle him, because only the
test of fire makes fine steel.

Let him have the courage

to be impatient...

Let him have the patience to
be brave.

Teach him always to have
stubble (Inspiring) faith in
himself, because then he will
have sublime faith in mankind.

Teach him if you can

how to laugh when he is sad...

Teach him there is no shame
in tears,

Teach him to scoff (ridicule)
at cynics (sarcastic people)
and to beware of too much
sweetness...

Teach him to sell his brawn
(strength) and brain to the
highest bidders but never to
put a price-tag on his heart
and soul.

Overall Perspective Concept

Mahatma Gandhi Says, “ By Education I mean an all-round drawing out of the best in child and man-body, mind and spirit”

According to Gurudev Rabindranath Tagore, Education is that which makes our life in harmony with all existence. It is the all-round flowering forth of the personality to its Maximum

Philosopher John Dewy considers Education as development of all those capacities in the individual which enables him/ her to control his/her environment and fulfill his/her possibilities.

Shri Aurobindo says, “Education is the process of enabling the growing soul to draw out that which is in itself.”

According to Dr. Ambedkar, Education is experiencing salvation during one’s life here on earth.

Swami Vivekananda says, “Education is the manifestation of the divine perfection already present in man.”

From the above mentioned views of the Educationists and philosophers it is clear as crystal that education is not merely bookish knowledge. Or rather, it is pilgrimage towards perfection.

We, the Marians, strive towards integral development of each and every child entrusted to our care.

Methods

In order to concretize the above mentioned concept, we try to implement various methods of education proposed by the above mentioned educationists and thinkers. Some of such methods are as follows :

- | | |
|---------------------------------------|---------------------------|
| ❖ Direct Experience | ❖ Mannual - Labour Method |
| ❖ Heuristics | ❖ Correlation Method |
| ❖ Learning by doing | ❖ Audio - Visual |
| ❖ Presentation of Examples and Events | ❖ Smart Classes |
| ❖ Dramatization | ❖ Excursions |
| ❖ Debates | ❖ Exposure Programs |
| ❖ Discussions | ❖ Programming of Concepts |
| ❖ Project - Works | Etcetera.. |

Class Test & Internal Assessment

Class Test will be conducted many times during the teaching- learning process of each concept. Marks or grades will be allotted according to the performance of the pupils.

The aggregation of the marks or the grades and the observation of the pupil in their appropriate classes by the class teachers as well as the subject teachers will add up to the total marks of the internal assessment and this, in turn will add up to the consolidated grand total

Other Important Activities

Singing and Music

There will be regular singing and music classes.

Towards the end the child will be asked to sing any song of His/Her choice.

Grade will be given according to the child's performance.

Cultural Activities

These include dance and dramatics. In case of dance, regular dance classes will be conducted. At the end, the child will be asked to perform what has been taught.

Grade will be given according to the performance.

In case of dramatics, children will be taught different scenes from their own text books and other sources. Then, at the end they will be asked to perform on th stage. Grade will be given as per the performance.

Gardening

Gardening is aimed at making the children aware of the essentials of environmental protection and dignity of manual labour. Children will be provided with strips of land classwise.

They will be helped to plant and bring forth ornamental as well as herbal plants. Grade will be given according to their interest and performance.

Games and P.E.T

The Class Teacher will grade children every month in accordance with their neatness and tidiness.

There will be grand grading at the end.

Each Month is Unique

Each month of the academic year is devoted to certain essential aspects of the integral growth and the development of the pupils.

Every effort would be taken by the teachers, parents and the students in order to bring this aspect to perfection while not neglecting the regular curriculum.

Legend of a Govan Traveller

Dear students....

There is a legend of a Goan overland traveller who has log in the Gobi desert, almost dying of thirst. Ge stumbled on Until he came to an abandoned house. Outside the dilapidate, windowless, weather-beaten, deserted shack was a Pump.

He stumbled forward and began pumping furiously, but no water came from the well. Then he noticed a small Jug with a cork at the top and a note written on the side : “You have to prime the pump with water, my friend P.S. And fill the jug again before you leave.” He pulled out a cork and saw that the jug was full of water. Should he pour it down the pumps? What if it didn’t work? All of the water would be gone. If he drank the water from the jug, he could be sure he would not die of thirst. But to pour it down the rusty pump on the flimsy instruction written on the outside of the jug? Something from inside told him to follow the advice and choose the risky decision. He proceeded to pour the whole jug of water down the rusty old pump and furiously pumped up and down. Sure enough, the water gushed out ! He had all he needed to drink. He filled the jug again, corked it and added his own words beneath the instructions on the jug.

“Believe me, it really works, You have to give it all away before you can get anything back.”

The moral of this legend is That’s why Giving is important as just Taking
.....!!!

STORY OF JONATHAN LIVINGSTON SEAGULL

Dear students...

Once upon a time, there was a seagull. His name was Jonathan Livingston Seagull.

Generally, Seagull do not like to fly very high. They fly around the sea waters only to eat. They satisfy themselves with the fish or fish wastes that they get on the waters or on the shores. But, Jonathan was not a seagull of his nature.

He did not want to satisfy himself with eating fish or fish wastes. He wanted to be adventurous. He wanted to fly very High. Very high. Higher Higher Higher Highest..

“A Seagull flying high..?” His folks could not grasp his idea. Hence, they could not accept it. Jonathan knew that he had something new to impart to his folks. He knew that he had a new message for them.

He started practice flying hence. He faltered many times in the beginning. But he did not give up. He went on practicing.

He knew that practice makes one perfect. His mother noticed him a couple of times faltering while practicing and faltering down from the heights. She felt sympathy for him. But she did not stop him. She only wanted him to eat and drink on time together with his practice. Jonathan did not notice any of these.

He increased his height of flying day by day. He also increased his speed. Flying, increasing the speed and increasing the height had become his unending passion. The elders of the Seagull tribe were angry. They took Jonathan to be a wayward.

The eldest among them called for a meeting.

He placed his grudge before the crowd.

The crowd, in turn, wanted him to be punished. They excommunicated him, as a result.

Jonathan did not take these to heart. He just practiced and went on practicing.

Soon -

A few little seagulls, taken up by Jonathan's courage and strength, tried to follow his footsteps. They pleaded Jonathan to teach them the art of flying. He reached them out. They too, gradually, took up to the art of flying. The number increased day by day till at last there was a huge fold of flying seagulls.

Jonathan, piercing through the skies, found at last the perfection of flying. The folds followed.

Today -

There is no seagull that cannot fly high thanks to
Jonathan Livingston Seagull.

Hence -

Fly dear children.

Even the sky should not be limit in your pilgrimage towards perfection.
